ACM, SIG on Security, Audit and Control

Papers offering novel research contributions in any aspect of computer security are solicited for submission to the 7th ACM Conference on Computer and Communication Security. Papers may present theory, technique, applications, or practical experiences on topics including:

Authentication and key management	Database security
Authorization, access control, audit	New threats and attacks
Cryptographic algorithms, protocols	Privacy and anonymity
Steganography, watermarking	New security architectures
Intrusion detection and response	Secure electronic commerce
Licensing and intellectual property	Security evaluation
Malicious code and countermeasures	Security education

Instructions for paper submission

Papers must be written in English, and should not be longer than twenty (20) double-spaced pages (appr. 5000 words). Submitted papers must not substantially overlap with papers that have been published or that are simultaneously submitted to a conference or a journal. All submission should be appropriately anonymized (i.e. the paper should not contain author names or affiliations, or obvious citations). Accepted papers will be presented at the conference and published by the ACM in the conference proceedings. Outstanding papers will be invited for submission to ACM Transactions on Information and System Security (TISSEC).

Abstract submission: Send e-mail to jajodia@gmu.edu containing in plain ASCII the title and abstract of the paper, author names, and the e-mail address of the contact author.

Electronic submissions: Authors are strongly encouraged to submit their papers electronically using the Portable Document Format (PDF). Send e-mail to jajodia@gmu.edu with your paper as an attachment.

Hardcopy submission: Send eight (8) copies of your paper to the Programme Chair along with a cover letter and a listing (on a separate page) of authors' names, e-mail/postal addresses, phone/fax numbers, and identifying the contact author.

Panel and tutorial proposals: Proposals should be no longer than five (5) pages in length for panels, should include possible panelists and an indication of which panelists have confirmed participation. Proposals can be e-mailed or send in hardcopy to the Programme Chair.

Important dates (deadlines)

Submission of abstracts:	April 30, 2000
Submission of papers:	May 7, 2000
Panel and tutorial proposals:	May 7, 2000
Notification to authors:	June 30, 2000
Camera-ready copies:	July 30, 2000

Submissions received after the submission deadline will be rejected without review.
